Typical Schedule

1-week intensive modules: 09.30-18.30 daily

2-week modules: 09.30-13.30 daily

Our block-learning format allows you to fully immerse yourself in each module, balancing focused study with practical application and networking opportunities.

How Assessments Work

No exams. No cramming. Just practical work.

After completing each module, you have 1-7 weeks to submit your assignment.

What This Means for Students

Focus on one module at a time – never juggling multiple deadlines.

Apply learning immediately – use new skills at work before submission.

Real-world assignments – practical, not theoretical.

Manageable workload – never more than 1-2 assignments due at once.
