

Money Matters

International Undergraduate and Postgraduate students 2026/27

Introduction

Welcome to Money Matters – your guide to everything you need to help you manage your finances while you're at university in the UK.

We'll explain the different fees and highlight other expenses you will encounter; we'll outline some of the funding that's available to you and how to apply for it; and we'll tell you where to go for help and support when you need it.

Costs and budgeting

Like many of our international students, this may be the first time you have had to manage your finances away from home. We understand how overwhelming that can be and if ever you want help or advice, there's a range of support services you can call on whenever you need them ([see page 13](#)).

Considering your costs

It's important to think about your finances in good time before you arrive at university. Make sure you're clear on what fees you are required to pay and that you apply for any funding before you come to Kingston University (see Scholarships & Bursaries, [page 11](#)).

Sample budget

Below is an example of how you might plan your budget and the costs involved.

Expenditure type	Approximate cost per week
Halls of residence accommodation	£200
Food	£60
Text books/printing/copying	£15
Housekeeping	£25
Laundry	£5
Mobile phone	£10
Clothes and socialising	£35
Total:	£350

Planning your budget

Planning your budget is an essential part of managing your finances. Think about everything you will need to spend money on and make sure your income is sufficient to cover it. Forward planning and prioritising your payments will help you avoid unnecessary financial worries.

Advice and guidance

Our experienced Student Welfare Advisors are on hand to give you advice and guidance about any money-related issues. This includes managing your money, student finance queries, and dealing with debt. Confidential one-to-one appointments, drop-ins, email and telephone information and advice are all available. You can also meet with Student Welfare Advisors, who can be found at Penrhyn Road and the Student Services Centre at Kingston Hill ([see page 13](#)).

Tuition fees

The following pages outline the fees you may be required to pay, and the funding options available to help you pay them.

Tuition fees

Fees for international students at Kingston University vary according to which course or programme you have decided to study. For an accurate figure, please visit the relevant course page on our website.

As a guide, you should expect to pay the following tuition fees for the academic year 2026/27.

Do I pay the home or international rate fees?

If you are unsure about your fee-paying status, you can find out more from the UK Council for International Student Affairs. Find them at ukcisa.org.uk

If you would like to talk to our Fee Status Team, you can contact them on +44 (0) 203 308 9932 or email FeeStatus@kingston.ac.uk.

The University also provides some information on how your fee status is determined which you can view under [Understanding your fee status](#).

Full-time Undergraduate International tuition fees

Course type	Year 1 2026/27 Entry
Art & Design	£21,400
Pharmacy	£19,900
Aerospace Engineering	£19,600
Studio Based	£19,200
Social Sciences, Economics & Law	£19,200
Other Classroom Based	£18,500
Art & Design foundation course	£18,200
Students studying abroad for one full year	£4,450
One-year sandwich course or placement abroad	£1,290

Postgraduate taught – International students

Important

All fees are subject to change on an annual basis.

The fees shown apply for year 1 of the degree onwards for the 2026/27 academic year (fees will rise in line with inflation for future academic years). Some courses may incur specific additional costs, for example field trips and course specific clothing. Please see individual course details for more information.

International students must pay at least 50% of the tuition fees before enrolment. With current visa regulations, it is advisable that this is paid to the University as early as possible to speed up your visa application.

The remaining 50% will also need to have been paid prior to the completion of your enrolment, unless you would like to pay by instalment in line with the University's payment plan. In order to pay the remaining 50% by instalment you will need to have set up a payment plan within the University Payment Portal.

Price point	Fee level
A	£28,000
B	£25,000
C	£23,700
D	£22,600
E	£21,500
F	£20,000
G	£19,400
H	£18,700
I	£18,300
J	£17,600

Research fees

Study mode	Fee level
Full time	£18,000
Part time	£9,000
Writing-up fee (one year only)	£1,000

When to pay your fees

Below is a table to help you understand the financial requirements you need to have in place before being able to complete your enrolment.

Don't wait until the last minute to complete these, do them now to ensure your enrolment is not held up.

Level of Study	Payment Method	Paying in Instalments?	Required to Enrol
Undergraduate	Self-Funding	No	Payment in full
Undergraduate	Self-Funding	Yes	Payment of 50% of fee before enrolment Set up a payment plan once you have enrolled and received an invoice for your fee
Undergraduate or Postgraduate	Sponsored	Not available	Completed sponsorship form submitted and approved by the University
Postgraduate	Self-Funding	No	Payment of £5,000 deposit Payment of remaining balance before enrolment
Postgraduate	Self-Funding	Yes	Payment of £5,000 deposit Additional payment to bring balance paid to 50% of fee before enrolment Set up a payment plan once you have enrolled and received an invoice for your fee

Important

It is important that you pay your fees to the University on time. Failure to do so will delay your enrolment and may lead to a disruption in your course.

Continuing students who have tuition fee debt outstanding from previous academic years will not be allowed to re-enrol until the debt and associated costs have been cleared.

Should a fee fall overdue due to non-payment, the University operates a formal recovery procedure which includes the use of external agencies and may result in a County Court Judgment ('CCJ') being registered against you in the amount of the debt, plus costs, plus interest.

Payment Methods

Tuition fees

Fees are effective from 1st August in your academic year. International students must have either paid their fees in full, have approved sponsorship in place or have a paid a minimum of 50% of their tuition fees in order to enrol.

Option 1: Sponsorship

If we have received confirmation from your sponsor that they are funding your studies then we will invoice them directly for your tuition fees. For more information on sponsorship please view the section on how your employer, an embassy or other organisation can pay your fees.

Option 2: Online Using Flywire

Kingston University has partnered with Flywire to accept payments from international students worldwide. Easily and securely make payments in your own currency, using local payment methods from the safety and convenience of your home. With real-time tracking and around-the-clock multilingual support, millions of students and families around the world trust Flywire for payment processing, which is why they are the University's chosen payment partner.

Benefits of the Flywire platform:

- Convenient payment options from over 240 countries and territories, in more than 140+ currencies.
- Avoid fees and exchange charges from your bank by using local payment methods, including bank transfers, credit cards, e-wallets and more.
- Track your payment in real-time and receive updates through email, in-app or text.
- Flywire's internal controls ensure that your funds are secure and protected against fraud.
- Benefit from a **Best Price Guarantee**: if you find a better exchange rate at your bank within two hours of booking a local currency bank transfer with Flywire and send them a quote from your bank, they will match it.

The option to pay by Flywire is now available in the [University Payment Portal](#).

Option 3: Paying in instalments

If you would like to pay your fees by instalment over the academic year you will need to sign up to a payment plan or payment for the full year's fees will be required immediately. Payment plan sign up can be done within the University Payment Portal, after you have enrolled and received your fee invoice.

You will have two payment options available when setting up a payment plan for your second instalment:

- With a UK Bank issued card – the University will use these details to collect the payment directly from your account on the due date
- Using Flywire International – you will need to log into the University Payment Portal and make a payment yourself before the due date

Important

Payment by instalment is only possible where a payment plan has been set up within the Kingston University Payment Portal. This must be in place prior to the instalment date.

Ensure you have enough money in the account on the due date; otherwise your card provider may make a charge to your account for every default. If you wish to cancel your payment plan, you forfeit the option to pay by instalments and the remainder of the balance will become immediately due. If you have any unforeseen circumstances that mean you are unable to pay a particular instalment amount, please contact the Accounts Receivable team for advice rather than cancel the instruction.

Setting your payment plan up late or missing an instalment can result in the percentage of your fee being distributed to each instalment to differ from the values provided in the table below.

Should you opt to pay your fees by instalment, the payment collection dates are:

Official Course Start Date	1st Instalment 50%	2nd Instalment 50%
Aug/Sep/Oct 26	Before Enrolment	14-Jan-27
Nov/Dec 26	Before Enrolment	04-Mar-27
Jan/Feb 27	Before Enrolment	22-Apr-27
Mar/Apr 27	Before Enrolment	08-Jul-27
May/Jun 27	Before Enrolment	02-Sep-27
Jul 27	Before Enrolment	04-Nov-27

Please note this is the only instalment plan option available.

Can my employer, embassy or organisation pay my fees?

Yes. If your employer, embassy or organisation agrees to pay all or part of your tuition fees, the University will refer to them as your sponsor. The University will invoice your sponsor for the amount they have agreed to pay.

Please note: If your sponsor is not paying for your full tuition fees, you yourself will be responsible for paying the 50% deposit that is required before or at the time of enrolment.

How does the sponsorship process work?

Your sponsor will need to send us a completed Sponsorship Agreement Form before your enrolment – you download the form from kingston.ac.uk/payment

However, we understand that some embassies will only provide notification by letter. In those circumstances, we will accept this as an alternative to the Sponsorship Agreement Form, provided it is on the embassy's headed paper, signed by an authorised officer and contains:

- The student's (your) full name and University ID number (if known)
- The amount (or percentage) of tuition fees the sponsor wishes to pay on your behalf for this academic year
- The name of the person for whose attention the invoice should be sent, plus the full postal address
- A unique reference number or purchase order number, if applicable
- A valid email address if your sponsor is overseas.

Completed Sponsorship Agreement Forms and letters should be emailed to sponsorletters@kingston.ac.uk, or uploaded to OSIS before you enrol on your course.

Important

- If you intend to have a sponsor pay your fees we will need to have received notification **before** enrolment
- Notification of sponsorship is required for each academic year of study, and payment by a sponsor is due upon receipt of invoice.
- There is no instalment option for sponsor payments.
- The University may conduct credit checks on the sponsor and reserves the right to reject a sponsor letter or purchase order.
- Remember, it remains your responsibility to ensure that the Accounts Receivable team has received your sponsor letter and that it contains all the necessary information as outlined above. The University will not be able to invoice your sponsor until we have received their letter or purchase order.
- If your sponsor fails to pay on receipt of invoice or withdraws their support at any point in the year, you will be responsible for any outstanding fees at that point and the university will hold you liable for that amount.
- Your sponsor cannot be a family member or a company of which you are a director.

How and when to pay your accommodation fees

Accommodation fees

If you have been allocated a place in university accommodation, you can pay your accommodation fees in one of the following ways:

- In full by 1st October 2026
- In full upon receipt of the licence
- By instalment

Instalment dates for Kingston University accommodation can be found in the table below. It is only possible to pay by instalment if you have signed up to an accommodation payment plan within the Kingston University Payment Portal.

Setting your payment plan up late or missing an instalment can result in the percentage of your fee being distributed to each instalment to differ from the values provided in your halls licence.

Note for US students

If you are funding your course using a Federal Direct Subsidised/Unsubsidised, or PLUS loan, please contact the Financial Aid office for information about payment of accommodation fees: **+44 (0)20 8417 7315**

Information relating to your tuition and accommodation payments

As with any financial transaction, certain unavoidable rules and regulations apply. Do take time to read the following and you'll avoid any unnecessary issues or worries later on.

- You need to have your funding method in place and confirmed before being able to complete your enrolment.
- It's important that you pay your fees to the University on time. Failure to do so may lead to a disruption in your course.
- There must be enough money in the nominated account to meet the payment at the time it is collected, otherwise your bank or card issuer may make a charge to your account for each default.
- The only way to pay by instalment is by signing up to a payment plan within the University Payment Portal. If you wish to cancel your payment plan, you forfeit your option to pay in instalments and will be required to pay the outstanding balance in full immediately.
- It is your responsibility to update your contact details and to provide the University with a current term-time address – this can be done via OSIS (Online Student Information System) or through your student office/course administrator.
- You are required to update any changes to your address or telephone number as soon as the changes occur. Failure to do so may incur charges, should we need to trace you.
- Continuing students who have tuition fee debt owed to the University from previous academic years will not be allowed to re-enrol until the debt and associated costs have been cleared.
- Students that enrol late will be required to bring their fees up-to-date and in-line with their cohort before their enrolment can be completed. Please contact the Accounts Receivable Team for more details.
- If the University suspects that a card payment may be fraudulent or be subject to a chargeback request from the card issuer, we reserve the right to immediately suspend access to University facilities, and we may refer the matter to the police.

International Students on a Student/Tier 4 Visa

If you do not pay your tuition fees on time you will receive notification that your University access will be suspended. If you fail to act, your access to systems will be removed and you will have 10 working days to resolve the matter before Kingston University withdraws sponsorship.

If this happens the University is required to report your change of status to UK Visas and Immigration (UKVI) within the Home Office, at which point your status as a student cannot be restored, you will immediately lose the right to work in the UK and will be required to leave the country as soon as possible.

Scholarships & Bursaries

A number of scholarships and bursaries are available to international students. Full details about each can be found on the International section of the Kingston University website (look under 'scholarships and bursaries'), but here is an outline of the different options.

International scholarships

Available to apply for by students who are classified with an 'international' fee status, these are partial scholarships, each worth £5,000.

Loyalty bursaries

The University is pleased to offer 10% discount on tuition fees if you're an international student applying for a full-time programme and have a previous connection with the University. Perhaps you are returning to Kingston after successfully completing a programme in the past; maybe you have a family connection to the University; or you have completed an international exchange programme here.

As you apply for these bursaries after you have enrolled, the application form will be available from our student intranet.

Faculty scholarships

Some faculty, or course-specific scholarships and bursaries are available to international students from individual university faculties. To apply for these you will need to approach the individual faculty.

External scholarships

Various sources of funding are available to international students from external organisations. Please see the website for more details:

kingston.ac.uk/study/fees-and-funding/international-scholarships

Students from the US and Canada

If you are a US or Canadian citizen you may be eligible for help with funding from your respective government agencies. See our website for full details.

Kingston University alumni discount

The University is pleased to offer a 10% tuition fee discount to eligible alumni enrolling on full-time or part-time postgraduate courses. The discount is available for both postgraduate taught and postgraduate research qualifications.

The discount will normally be applied automatically when you complete enrolment and your tuition fee invoice is generated. However, if you have been issued a new Kingston University student ID number, the discount may not be identified automatically and you may need to contact us to have it applied.

For full details, including eligibility criteria, terms and conditions, please visit the Scholarships page on the Kingston University website.

Progression Scholarship

A 15% discount on postgraduate tuition fees is available for Kingston University students who have completed an undergraduate degree in 2025/26. You must start the eligible course in 2026/27 and the scholarship cannot be combined with any other University discount.

Frequently asked questions

I am an international student but do not have a UK bank account. Can I still pay by instalments?

Yes. In order to pay by instalment you are required to set up a payment plan and this can be done using either a UK or using the international payment options offered through our partner Flywire. If you are intending to pay both tuition and accommodation fees by instalment you will need to set up a separate payment plan for each.

You can find more information on how to pay by instalment here.

www.kingston.ac.uk/payment

What if I want to withdraw from or suspend my course?

To submit a request to withdraw or suspend your studies, you should use the 'Your Studies' section on OSIS. Before you do, please read through the full regulations kingston.ac.uk/aboutkingstonuniversity/howtheuniversityworks/policiesandregulations

Depending on when you withdraw, you may still be liable for certain amounts of fees to be paid. You can find out how much you would be liable for in Appendix 1 & 2 at the end of the booklet on [page 14](#).

All Postgraduate Research students who leave their course will be credited on a pro-rata basis for the entirety of your course. Refunds for withdrawals that incur no fee liability will be less any tuition fee deposit paid.

What if I have a complaint or dispute?

Complaints should initially be raised at a local level in writing or verbally within 15 University working days of the incident. Staff will endeavour to investigate and respond to the matter within 20 University working days of receipt of the complaint. In the event that we require additional information, we will write to you specifying what it is that you need to provide.

Complaints that relate to billing errors or the service provided by the Finance Team should be sent to:

financecomplaint@kingston.ac.uk
