

Guidance (i) Academic Council & sub-committees

Notes:

* Reports to Research Degrees Committee when it is fulfilling the function of an assessment board

This diagram illustrates the Committees under the responsibility of the Academic Council.

The Committees are as follows:

- The Regulatory Framework Committee. The University's assessment boards are a sub-committee.
- The REF Steering Group.
- The Research Knowledge Exchange Committee. The Research Degree Committee and the Faculty Research Degree Committee are sub-committees. The Research Ethics Committee and the Faculty Research Ethics Committee are sub-committees. The KEF Steering Group is also a sub-committee.
- Student Life Committee.
- The Education Committee. The Academic Information Monitoring Group, the Quality Assurance Portfolio Change Committee, the Portfolio Management Group, the Apprenticeship Operations and Compliance Group, the Learning Technology Spaces Advisory Group, Student Voice Group and the Teaching Excellence Steering Group are sub-committees. The Faculty Education Committee is also a sub-committee. Sub-Committees of the Faculty Education Committee are School Education Committee, Student Voice Committee, Joint Executive Committee and the Apprenticeship Monitoring Committee.
- The Honorary Awards Panel.
- The Senior Academic Promotions Panel.
