Language Studies Modules for Visiting Students 2023/24

The Kingston Language Scheme (KLS) enables students to begin to learn a foreign language or to develop further knowledge of a language previously studied. The scheme offers language study in ten languages, both European (French, German, Italian, Portuguese and Spanish) and some Non-European languages (Arabic, Japanese, Korean, Mandarin (Chinese) and Russian).

There are eight levels of language study, as shown below (though not all levels are available for each language).
